

Barn Hunt Introduction Workshop

Saturday, April 30, 2022 at 2:00pm

1443 Elm Hill Pike, Unit 302, Nashville TN

Introduce Your Dog To Barn Hunt!

We hope that you join us in introducing your dog to this fun and exciting sport. This is a fun and exciting sport that many dogs absolutely love! Nothing tires your dog out faster and more complete than using his natural abilities of scent, vision and hearing to find the rats. Look at the side list to see what's involved in the workshop. I look forward to meeting you and your canine hunter!

Kristy Netzer

Is The Rat Harmed?

NO!!! The rats are protected in aerated tubes. Our rats are our pets and we hold their care to the highest standard.
